

Internship Opportunity Rio de Janeiro 2018

Firm Description: 4K Investimentos is an Investment Firm that manages a Global Fund that invests in a broad range of securities: hedge funds, private equity, public equity, and fixed income. There is also a Local Equity Fund.

Job Description: 4K is looking to hire an Intern who will be expected to do back office and front office work. The applicant will work closely with the portfolio manager and will have direct access to the partners.

Back-office: Contact fund administrators, lawyers, auditors and different service providers. The intern will produce reports on the funds consolidated positions, return attributions and also control the Funds' cash flow.

Front-office: The intern will be required to help analyze investment opportunities and keep track of ongoing investments. Additionally, he/she will be responsible for equity screening and other investment reports.

What we are looking for: Fluency in English, interest in finance, excellent analytical skills and intermediate use of Excel. We want a self-learner and long-term thinker.

Academic Background: Students majoring in either Economics, Business Administration or Engineering.

Compensation: An initial fixed salary plus bonus to be discussed. The applicant will also receive transportation and meal benefits.

Contact: To apply for the position, please send your resume to 4kinvest@4kinvest.com.br
