

Internship Opportunity – Investment Assistant

A. BACKGROUND

The International Finance Corporation (IFC), the private sector arm of the World Bank Group, is a global investor and advisor committed to promoting projects in its developing member countries that are economically beneficial, financially and commercially sound, and environmentally and socially sustainable. IFC finances private sector investments, mobilizes capital in the international financial markets, helps clients improve social and environmental sustainability, and provides technical assistance and advice to governments and businesses in the developing world.

IFC's PPP Transactions Advisory Department (the Team) is focused on assisting governments to develop and bring to market private-public partnerships primarily in infrastructure sectors. In Brazil, the Department has a partnership with BNDES and IDB (called Private Sector Partnership Program– PSP) to jointly develop such projects.
